

Communication Log

All group members have agreed to respond to both Discord and Facebook Messenger messages within 24 hours. All members agree that responses must be meaningful and relevant to any question asked.

Date	Activity	Comment
Feb 27th	Iteration 1 Review	After receiving feedback for Iteration 1, we hosted a meeting to review all of the work done in the previous Iteration.
Mar 1st	Read Instructions Code Assistance	There was an issue with the implementation of loading jpg/png images, so Ridwan requested some assistance.
Mar 4th	General Meeting	Additional review to make sure all Iteration 2 components are on track for being completed by the due date. Also an additional meeting to create the Iteration 3 Plan.
Mar 5th	Class Diagram Meeting	Sarwar and Nahid decided to have an additional meeting together for refining and finalizing the class diagram.
